Health Sciences, University of Toronto

Do Cardiac Report Cards Improve Quality of Care?

Monday April 20th, 2009 – 8:00 AM to 9:00 AM
Room G500 in the Health Sciences Centre
Telehealth: PLC room 4023 & RCH room 3A132/3

Dr. Jack Tu leads the Canadian Cardiovascular Outcomes Research Team (CCORT), one of ten Interdisciplinary Health Research Teams supported by the Canadian Institutes of Health Research (CIHR). He is the Canadian Research Chair in Health Services Research and is a Career Investigator of the Heart and Stroke Foundation of Ontario. Dr. Tu is a senior scientist at the Institute for Clinical Evaluative Sciences (ICES) in Toronto, where he oversees the heart and stroke research group.

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada, approved by the Department of Cardiac Sciences.
