| e). | A positive attitude –goes the extra mile | 15 points |
3. **Term of Appointment** – The award will be for one year based on work done in the preceding calendar year. The award will be presented at the annual Department recognition event in June of each year.
 4. **Selection Process** – A call for nominations and deadlines for applications will be communicated annually through the Department of Cardiac Sciences and the Libin Cardiovascular Institute. The nomination package will consist of a letter of support each from a primary and secondary nominator. A CV will be optional. The applications will be reviewed by the selection committee that will consist of:
 - The Department Head (or delegate) – Co-Chair
 - The zonal Executive Director of Cardiac Sciences – Co-Chair
 - The section chiefs of cardiology, cardiac surgery (or delegates)
 - Two physicians from Department
 - Site Executive Directors (or delegates)
 - Department Manager (or delegate)

The voting system will be based on the point score above. In addition to total score, the ranking of each candidate by each judge will also be incorporated into the final decision. The committee will reach a consensus based on the objective criteria.

5. **Award** – The award will be a permanent keep-sake to recognize the significance of the honor. This will be kept within the Department trophy case and contain the names of all winners going forward. A small award will be given to each recipient and presented at the annual Department dinner. Funding for the award will come from Departmental funds or if the award is named, then an endowment from that gift.
