THE MOZELL SUMMER STUDENTSHIP IN CARDIOVASCULAR RESEARCH

TERMS OF REFERENCE

Background: The Mozell Summer Studentship in Cardiovascular Research is funded by the Mozell Family Cardiovascular Research and Education Endowment, created with a generous donation from the Estate of J.L. (Sam) Mozell with the intention of helping advance education and research in the area of cardiovascular health. The endowment is closed to other sources.

Purpose of the Studentship: To support research training for exceptional cardiovascular health undergraduate students. The studentship will be undertaken at the University of Calgary.

Studentship value: Up to $1,875.00 per month to a maximum annual value of $7,500.00

Funding is provided on a cost-sharing basis: $5,000 is covered by the Libin Cardiovascular Institute, and $2,500 is covered by the supervisor.

Number of studentships: Two (2)

Studentship Duration: The studentship is tenable for a minimum of [*3*] months and a maximum of [*4*] months.

Financial Administration:
Funds may be used only for salary stipend and may not be used for travel, relocation or other purposes. Any costs associated with studentship, other than salary, must be borne by the relevant program, or the supervisor.

Should there be no candidate that fulfills all the eligibility requirements, the available funding may be carried over by the University for subsequent years.

Studentship Administration:
Oversight for the review and payment of the Mozell Summer Studentship in Cardiovascular Research will be administered on behalf of the Libin Cardiovascular Institute by the Office for Undergraduate Health and Science Education in the Cumming School of Medicine, in accordance with university regulations and processes.

Studentship Committee:
A Studentship Committee will be convened at least *annually* by the by the Education Director of the Libin Cardiovascular Institute. The committee will include, but is not limited to, the following members:

- Education Director, Libin Cardiovascular Institute
- Education Coordinator, Libin Cardiovascular Institute
- A member of the Libin Cardiovascular Institute with expertise in cardiovascular research

The Studentship Committee will be responsible for final consideration and selection of studentship candidates in alignment with the selection process outlined below

Selection Process:
