Purpose of funding:

To recognize outstanding research performed by trainees within the Libin Cardiovascular Institute.

Categories:

Awards available for:

- One Graduate student (MSc, PhD)
- One Post-Doctoral Fellow

Award details:

- \$500 per award

Eligibility:

This competition is available to graduate students and post-doctoral fellows. At the time of application, the following criteria must be met:

- (i) Trainees must be members of the Libin Cardiovascular Institute working under the supervision of a full libin member and applications must reflect work done as a member of the Libin Institute.
- (ii) Previous Trainee Award holders will not normally be allowed to receive a second award.
- (iii) Applications are on a self nomination basis and should include any research activities that the trainee has been involved with, such as papers, abstracts, conference presentations, etc.
- (iv) Trainees will have submitted a research contribution, **which must be either published, or accepted for publication** in the 12-months immediately preceding the application deadline.

Application Process:

Please submit one (1) electronic PDF file of the complete application including attachments with signatures where required to libin@ucalgary.ca by April 3, 2023

Applications must consist of the following components:

- (v) A completed Application Form and Checklist (see last page)
- (vi) An up-to-date Curriculum vitae from the trainee
- (vii) A concise Statement of Contributions from the trainee that outlines the significance of his/her research contribution(s) within the last year. The statement should be no longer than 1 page (single-spaced, 12-point font), written in lay English.
- (viii) List of Research contributions. Use the application form format.

Evaluation

Applications will be review by members of the Libin Cardiovascular Institute Research and Education Committees.
