

LIBIN CARDIOVASCULAR INSTITUTE PUBLICATION AWARDS

DEADLINE: SUNDAY, JANUARY 31, 2021

The Libin Cardiovascular Institute offers awards to recognize trainees' publication successes.

The Libin Cardiovascular Institute Publication Awards is designed to recognize and reward trainees at all levels for quality cardiovascular research. All trainee first-authored papers published in peer-reviewed journals are eligible for the award.

AWARD

\$100

TERMS OF REFERENCE

- Trainee must have, as first author, an original research article published in a recognized, peer-reviewed journal in the <u>2020</u> calendar year. Papers published before or after 2020 are not eligible.
- Paper must have the Libin Cardiovascular Institute listed as an affiliation.
- Trainee must be a full-time postdoctoral scholar, graduate (MSc and PhD) or undergraduate student in good standing at the time of publication.
- ALL trainees must have a supervisor who is a full member of the Libin Cardiovascular Institute.
- This award can only be received once per trainee per annual competition.
- If there are more applications than available awards, applications will be ranked and awarded according to the impact of the research.
- Trainees may submit more than one publication; however, will only be considered for one award.

APPLICATION PROCESS

Applications should include the following:

- Trainee's name and training status
- Supervisor's name (for graduate and postdoctoral trainees)
- Full citation of the article
- Impact factor of the journal
- An electronic copy of the published article

Submit applications by **Sunday, January 31, 2021** to:

Megan Smith, Event & Education Coordinator Libin Cardiovascular Institute <u>libinscholarships@ucalgary.ca</u>

Applications will be evaluated for eligibility by the Libin Cardiovascular Institute's Education Director, and if necessary, ranked to determine recipients. In addition to a \$100 award, successful applicants will have their publications recognized in the Libin Buzz.

This program is subject to the availability of funds.
